

With the economy on its knees, many American families have had to forgo their annual holiday just to make ends meet.

But barely a month after returning from a luxury Christmas break in Hawaii Michelle Obama is on holiday again - this time at the exclusive Colorado ski resort of Aspen. It's her 16th holiday since her husband took office.

The First Lady Michelle Obama is spending Presidents' Day weekend in the upmarket resort with her daughters, Sasha and Malia, and was seen hitting the slopes - albeit apprehensively - on Saturday.
